

Calling All Students

The Memory Book Committee has a task for YOU!

We need you to create an original piece of artwork that may be featured as one of the images on this year's Memory Book COVER.

We are looking to select art from ALL grade levels.*

The theme of your artwork can be anything related to Signal Hill.

For example: your classroom, recess, the school, your favorite subject, friends etc...

It can be created with pencils, paint, markers, crayons or anything you are comfortable with (except photographs). Just be creative.

**Please keep your artwork 8 1/2" X 11", horizontal or vertical.
(include your name and class on the back)**

**Deadline for all entries is January 11, 2010
So don't wait!**

This is a great way to make this year's book really about the students, so please help. Create your masterpiece and forward it to the PTA Drawer marked: Memory Book Art

Any questions please contact Kathi Wah, katwah@optonline.net or Carrie Greenbaum pesl14@aol.com

* It is our intent to represent each grade level on the front and back cover, however not all artwork may be used.
